The government moves for authorization for the U.S. Drug Enforcement Administration to destroy the original recordings of the Court authorized intercepted telephone communications in the above captioned closed case. 18 U.S.C. § 2518(8)(a) requires Court authorization to do so. The case is over with all defendants except one convicted and the charges against the one remaining (fugitive) defendant now dismissed. No appeals are pending. DEA wants to close out their file and dispose of the physical evidence, including the above described recordings.
